NEW MEXICO ASSOCIATION FOR HOME AND HOSPICE CARE

2010 AWARDS NOMINATION

"THE HOMEMAKER OF THE YEAR AWARD"

The New Mexico Association for Home and Hospice Care is now accepting nominations for the "Homemaker of the Year Award". This prestigious award is bestowed annually in recognition of a homemaker who provides high quality care to patients in their place of residence. Homemakers are an integral and irreplaceable part of home care services. The services they provide help to maintain a patient's ability to stay safely in their own home. By providing such important home care services, the Homemaker has a significant impact on the lives of the patients he/she serves.

This award was presented for the first time at the NMAHHC Summer Conference in August of 2007. The first recipient was Ramona Seifert, Maroland, LLC; 2008 Chris Jacobsen, Home Instead Senior Care; 2009 Darryl Ocana, Inteli-Care, LLC.

The award will be presented at the NMAHHC Summer Conference in August of 2010.
